GET TO KNOW HOLY TRINITY HIGH SCHOOL

Founded in 1910 by the Brothers of Holy Cross, Holy Trinity High School educates promising students from across Chicago who might not otherwise have access to private, Catholic school.

Our scholars leave HT ready for college and prepared to lead lives of leadership and service. With 350 students, we are a richly diverse and welcoming community where every student is known and valued.

We educate both the heart and the mind. Holy Trinity offers a rigorous college prep curriculum while providing our scholars with unparalleled opportunities focused on college readiness and real-world experiences. Because we are small by design, we give students personal attention so they can reach their full potential.

Our education philosophy continues outside the classroom, with a robust offering of clubs, athletic teams, service learning, college prep classes, internships and more.

As a school community, we are united by our five core Holy Cross values: discipline, integrity, excellence, family and zeal.

Together, our faculty, staff, parents and donors are personally invested in our students' success. With the most extensive scholarship and financial assistance program among Chicago's high schools, we are committed to making tuition affordable for every admitted student.

GET INVOLVED AT HOLY TRINITY

Become a Tutor or Mentor

As a tutor, you will work one-on-one with Holy Trinity students to help them with English, math, science and other subjects, as well as developing strong study skills. In addition to helping students keep their grades up, you serve as a positive, supportive role model.

Join the Friends for a Future summer internship program by becoming a career mentor or host an intern, and help lead a Holy Trinity student on the path to a successful business career. Through this unique program, juniors and seniors receive firsthand exposure to a professional work environment as interns. In addition, Holy Trinity matches each intern with a mentor from the business community, who provides support and guidance while also periodically checking in with the intern's employer. By becoming either a mentor or corporate host to an intern, you will make a lasting impact in a student's future!

Join Our Board

Join members of the business, education, legal, and religious communities who comprise Holy Trinity's all-volunteer Board of Trustees and Advisory Council. Make a real difference in protecting and shaping the school's long-term future. Members lend their time, expertise and support in a variety of capacities.

Make a Gift

A key component of Holy Trinity's successful track record is the generosity of supporters who share our commitment to young people working for a brighter future. However you choose to contribute, your gift of time, talent or treasure will have a direct and meaningful impact in the lives of our students.

YOU ARE MAKING A DIFFERENCE FOR CHICAGO YOUTH

As “the anchor on Division Street,” Holy Trinity High School has stayed constant in its vision for the past 110 years: to provide a high quality, Holy Cross education to local, promising students—regardless of financial need.

Today, we offer the most robust financial assistance program amongst Chicago’s private high schools, thanks to generous donors like you. Ninety-two percent of students receive financial assistance in the form of need-based aid, merit-based academic scholarships, and grants.

Your generous donation through Guardians of Hope helps us continue with our promise to provide Chicago’s youth with an outstanding education and prepare them to succeed in college and in life.
