## WELCOME

Become the best version of yourself at Holy Trinity High School. Founded in 1910 by the Brothers of Holy Cross, we are a values-based Catholic School. The School is small by design so you will be known and valued.

You will be challenged by the rigorous standards of the college preparatory curriculum, including dual credit (earning college credit while at HT), AP and honors courses. Holy Trinity's exceptional faculty and staff are committed to preparing you for college and your career.

The School is conveniently located in West Town, near I-90/I-94, the Blue Line train and the Milwaukee, Division and Ashland bus lines.

**Holy Trinity's Mission is to challenge and nurture students academically, spiritually, and personally as they prepare for lives of leadership and service.**
