## DEVELOP YOUR POWER & PURPOSE

At Holy Trinity, you'll spend time thinking about how you can best connect with yourself and with others. In our small-by-design environment, you'll consider your values and the ways you can influence positive change.

Guided by the rich teachings of our Holy Cross founders, you'll explore your humanity, spirituality, and purpose. You'll discover how to be the best *you* you can be.

### OPEN YOUR HEART

#### Seek Within

Our community welcomes all—you don't have to be a practicing Catholic. Here, you have the space to reflect on your own beliefs and how they guide you.

#### Peace & Place

The historical beauty of our campus creates an environment of focus and purpose. You'll feel connected to our proud tradition of inspiring one another forward.

#### Reach Out

Retreats, Mass, and community initiatives all help strengthen unity, deepen connection, and heighten appreciation for our shared humanity.

#### Tiger Strong

Our alumni network will serve as your models, mentors, and resources as you seek out growth and think about the impact you want to have on your world.

## EVERY MOMENT SPARKS CHANGE

### TENACITY & TRUST

*"Alex showed me the ropes and stuck with me. The patience I've learned as an intern transferred to other aspects of my life. Holy Trinity alums are straightforward and tell you what you need to hear to be better."*

— Aaron Robinson '25, One Summer Chicago Intern

*"I'm paying it forward. You're doing what I did as an intern. And now I can see how far I've come. It's full circle. I'm carrying on the legacy as a Holy Trinity Tiger."*

— Alexandra Carrillo '15, Project Manager, One Summer Chicago

### EXPLORE YOU

*"I've done a lot of soul searching and gotten to know myself here. Retreats help me look within myself and figure out what I believe and stand for. It's not set in stone. You get the time for that here."*

— Jilene Velazquez '25, Link Crew Leader

*"I've seen you dive into these questions about your own life and your beliefs. Now you're ready to share what you've learned with your fellow students and I'm really, really excited about it."*

— Kate Lucas, Director of Campus Ministry

### BLEED BLUE AND GOLD

*"You feel that good energy here. We build each other up with good spirit and good vibes. I always have people on the sidelines cheering me on."*

— Bella Mollfulleda-Diaz '26, Volleyball & Softball Athlete

*"You're right. You reciprocate that and cheer me on! We're all here for each other. We're here to have fun and learn. This school lifts us up."*

— Isaac Villa '26, Volleyball Athlete

ROOTED  
IN UNITY,  
SOARING  
IN PURPOSE

## THRIVE IN CONNECTION

At Holy Trinity, we know great education starts with what you learn—and becomes more powerful when it shapes who you are.

Every day, we support and inspire one another to pursue new challenges, growth, and deeper meaning.

When you focus on your purpose, you develop the determination to change your world.

## SHARE YOUR STRENGTH

At Holy Trinity, you will be known. You'll build genuine relationships rooted in empathy. You'll lean into your strengths and your aspirations. You'll prepare for academic and career success, and you'll explore how to live your life with greater meaning and purpose.

Our approach is rooted in the rich traditions of the Brothers of Holy Cross. Today, we educate youth from across Chicago, elevating the unique strengths of each student and challenging all to embrace what's possible.

### SUPPORTED & INSPIRED

Community and connection anchor all that we do:

#### Boldly Connect

We recognize each member of our collective family as essential to our shared strength. We better guide and support one another because we take the time to build and sustain authentic, deep relationships. By starting with the *person*, we spark transformational *personal* growth.

#### Pursue Your Purpose

We seek more than knowledge. More meaningful understanding results when we explore our humanity, spirituality, and purpose in this universe. We strive for the good of others, and to be the best we can be for our world.

#### Radiate Hope

Our hope transcends optimism or positivity. It exudes confidence. With courage and perseverance, we know that all things are possible.

#### Embrace the Challenge

We welcome new opportunities and the learning they spark. With an appetite for action, we take risks, step into discomfort, follow through, and grow.

#### Lead With Integrity

We are true to our best selves and live our values each day. Bravely setting an example signals our respect for our community and guides greater growth and achievement for all.

## SUPERCHARGED GROWTH

### FIND YOUR THING

*"I like science and push myself to understand it more deeply. I've grown here. I'm a better communicator. When I work with others, if we don't know the answer, we figure it out together instead of going straight to the teacher."*

— Maddie Richter '24, Smith College Summer Science & Engineering Program Participant

*"You can achieve whatever you put your mind to. It's my job to observe, gauge your interests, and expose you to the right STEM opportunities. That way you can ask yourself, is this something I truly want to do?"*

— Qiana Young '98, Chemistry Teacher

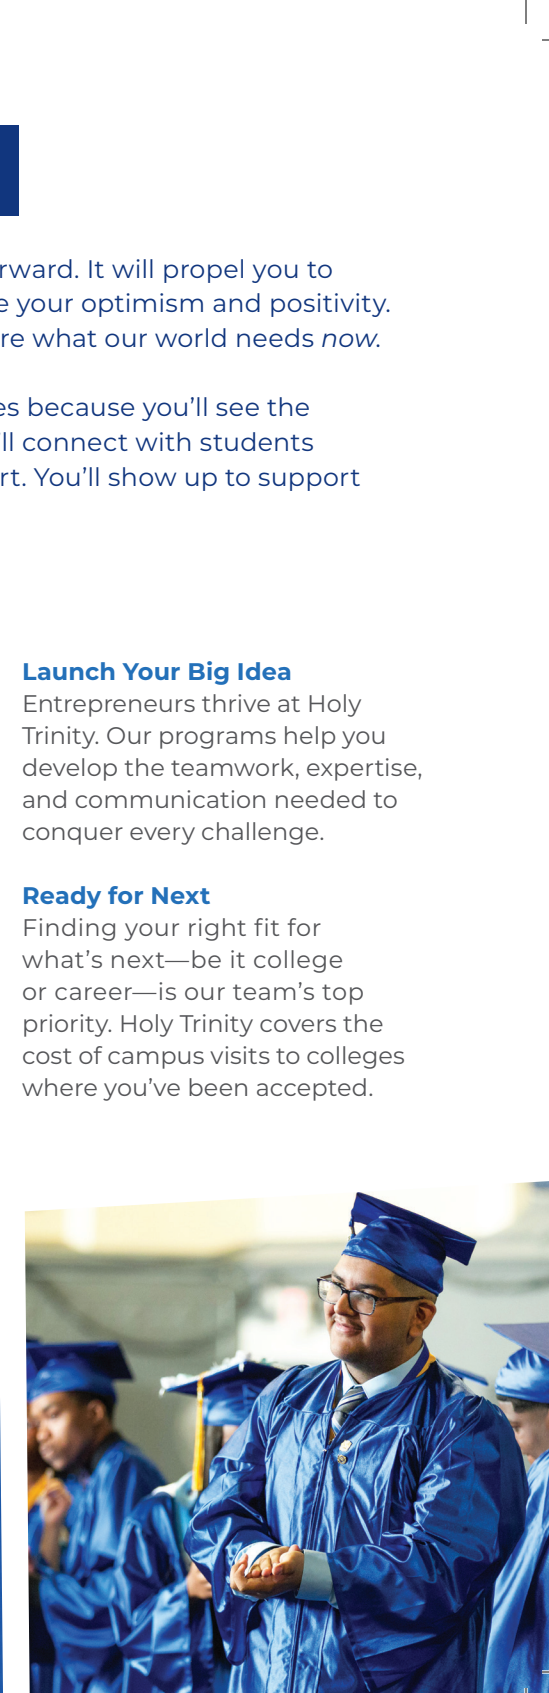

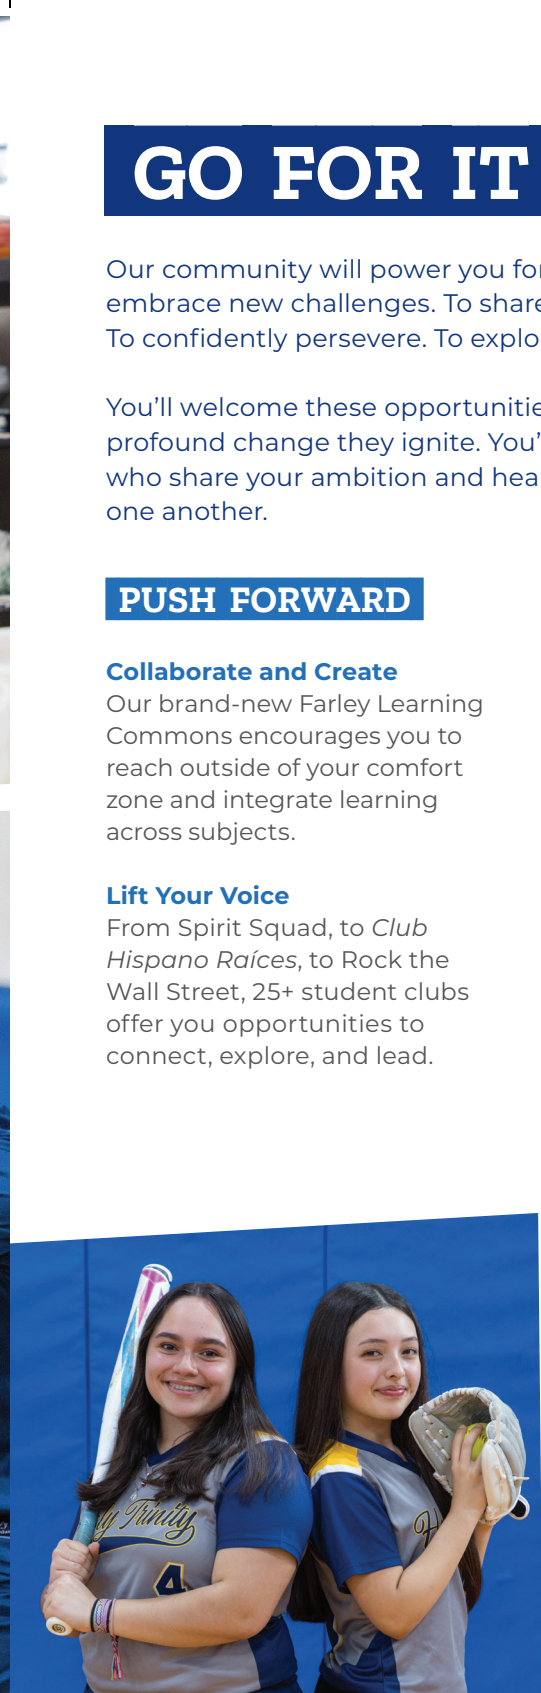

### STAND & DELIVER

*"Participating in entrepreneurship challenges helped me go into spaces where I didn't use to feel comfortable. Networking has become one of my biggest strengths—by leaps and bounds."*

— Noah Hood '24, Founder of Cloudwalkr

*"You're a dreamer and that's a beautiful thing. I'm thankful to see you grow and continue to dream. I feel blessed to learn from you. We're on a path together to become the best people we can be."*

— David Bencivenga, Director of the Learning Commons

## GO FOR IT

Our community will power you forward. It will propel you to embrace new challenges. To share your optimism and positivity. To confidently persevere. To explore what our world needs *now*.

You'll welcome these opportunities because you'll see the profound change they ignite. You'll connect with students who share your ambition and heart. You'll show up to support one another.
